

Are You Compliant?

Your Emergency Manual Has

- A building description and scope?
- A Risk Matrix?
- A Personal Emergency Evacuation Plan?
- Been reviewed in the last 5 Years?

Are Your Evacuation Diagrams :

- Correctly orientated?
- Complete with "You Are Here"?
- Titled "Evacuation Diagram"?
- A minimum size of A3?

Evacuations Procedures and Diagrams Need Review!

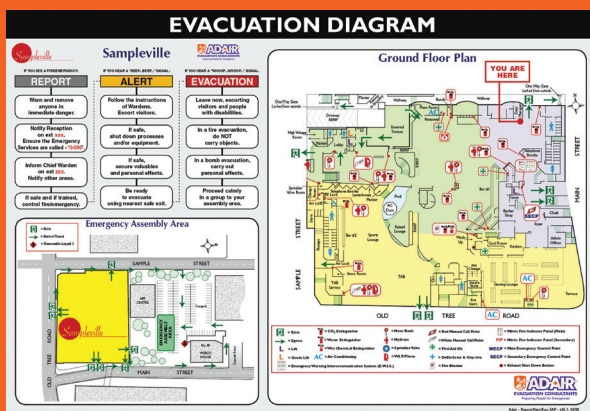

Are your evacuation procedures up to date?
Have your diagrams had a 5 yearly review in accordance with Australian Standard AS3745?

Talk to Adair today to discuss your options and, if you wish, schedule one of our highly trained staff for a site visit to conduct an audit.

Audit Prices:

Normal Review (most sites) : \$340.00 + GST
Multistorey and multi tenanted sites: \$660.00 + GST

The audit will provide a report on the status of your procedures and diagrams, and provide recommendations.

Don't take the risk - If your emergency procedures are missing any of these features contact Adair to upgrade your procedures to meet current Australian Standards.
